## MEMORANDUM

---

**To:** ESJPA Board of Directors  
**From:** Larry Sweetser, ESJPA Consultant  
**Date:** December 2, 2010  
**RE:** ESJPA Grant Update

---

### CalRecycle Used Oil Block Grants/Used Oil Payment Program

The ESJPA is currently closing out Used Oil Block Grant UBG-14 and will be submitting a final payment request to CalRecycle this month and will then receive the UBG-15 funds. Due to unspent UBG-15 funds, the ESJPA will not receive the new Used Oil Payment Program (UOP) funds until April 2011 for Alpine, Colusa, and Mariposa Counties. ESJPA Staff assisted with the Mariposa County fair held September 3<sup>rd</sup> through September 6<sup>th</sup> and is preparing to assist with the Colusa Farm Show to be held February 1<sup>st</sup> – 3<sup>rd</sup>.

### CalRecycle Household Hazardous Waste Grant (Butte, Colusa, Glenn)

We are continuing with implementation of HD17 (HHW with an emphasis on CFLs and medical sharps). Kiosks have been distributed to Butte, Colusa, and Glenn Counties. ESJPA met with our new grant manager Linda Dickinson and Cheryl Williams, her supervisor to discuss streamlining the budget. A budget request was approved to simplify the grant budget and accommodate changes requested by the counties. A payment request for reimbursement of funds is pending approval.

### CalRecycle 2009/2010 Tire Amnesty Grants

The final report for the TCA-4 amnesty events for Butte, Colusa, Inyo, Mariposa, Nevada, Plumas, and Sierra has been submitted. A total of 497 tons of tires were collected. Preparations are underway to initiate preparations for the fall TCA-6 tire amnesty events for Mariposa, Nevada, Plumas, and Tuolumne.

### USDA Solid Waste Grants

The USDA Solid Waste Grants application ends December 31, 2010. The ESJPA is considering submitting an application for conducting household hazardous waste and load checking trainings. Information on this grant program is available at:  
:<http://www.usda.gov/rus/water/SWMSG.htm#Objectives>.
