Have reduced operating hours/closed HHW facilities/operations due to budget constraints	Contemplating closing HHW facilities or stopping events due to budget constraints	Notes
---	---	-------

no no no HHWF, Riverside considering creating and operating an ABOP, but put on indefinite hold b/c of budget constr

Previously 3 events/yr, now down to 2/yr The larger problem is that the County (Riverside) has reduced the number of mobile events

We have reduced the number of events from 11 each year to 6 (one held every other month). We were accepting approximately 176 appointments
no no

temp stop attending community clean up events, lack of funding reduce staffing
We are planning to suspend collections at two temp latex figures only

no Our facility has not reduced operating hours for our two permanent HHW facilities in the last

mobile events reduced from 63 in '08 to 57 in '09
no This FY we had to cancel our HHW events due to budget constraints (in the past each year we held one event in Lodi and one in Tracy to serve our
In 2008, our agency provided two HHW collection events with hopes that we would be able to continue prov latex figures only
no Gets 205,982 lbs of latex, 63,579 oil ft

no yes, canceled both HHW events this year no

no Sonoma County's Household Toxics Facility (HHTF) is open to the public each week on Thursday, Friday, and Saturday. Due to budget cuts, effective
no Took % of paint of volume to equal %

one less collection event in 2009 thank 2008
Yes, in the past fiscal year, we have reduced the number of days per month that we collect from residents from 8 to 2. That change was made par
