

Notice of Funds Available: Household Hazardous Waste Grant Program (FY 2010/11)

Household Hazardous Waste (HHW) Grants are competitive grants for local governments to establish or expand HHW facilities or innovative HHW materials collection programs.

Grant information (including the application) is posted on this [site](#). Hard copy applications will be available from [Linda Dickinson](#) upon written request. Submittal of an application constitutes acceptance of all Grant Agreement provisions as contained in the Terms and Conditions and Procedures and Requirements. You may [download these documents](#).

Applications become the property of the CalRecycle and are subject to disclosure under the [Public Records Act](#). Do not submit confidential information.

Eligibility

Applicants

Eligible applicants may submit an individual or regional application. Eligible applicants are:

California cities, counties, and other local government agencies with direct responsibility for HHW management;

Joint Powers Authorities (JPA) if the JPA agreement includes solid and/or hazardous waste management responsibilities; and Qualifying Indian Tribes with direct responsibility for HHW management. A Qualifying Indian Tribe is defined as an Indian tribe, band, nation or other organized group or community, residing within the borders of California, which (1) is recognized for special programs and services provided by the United States to Indians because of the status of its members as Indians; or (2) can establish that it is a government entity and which meets the criteria of the grant program.

Projects

Discretionary Criteria: Priority points will be given to applicants that select one of the following categories as the focal point for their project:

Construction or expansion of HHW facility(ies)

Development of more cost-effective collection operations at existing HHW facilities (e.g., improving collection workflow patterns, implementing more efficient materials handling, or waste exchange programs)

New public education and outreach projects that take advantage of successful models from other jurisdictions through re-use or modification of existing materials to reduce design and printing costs

Program Criteria: Bonus points will be given to:

An applicant did not receive an HHW Infrastructure Grant during either the 17th or 18th HHW Grant cycles (FY 2008/09 and FY 2009/10), or

An applicant did not receive an HHW Infrastructure Grant during the 16th HHW Grant cycle (FY 2007/08),

And, a project that establishes a new HHW program for:

Rural areas (county having a population of 200,000 or less)

Small cities (population of less than 35,000)

Regional applicants (joint proposal submitted by two or more eligible applicants)

All qualifying projects will be considered for funding. However, only projects related to one of the above discretionary criteria will be considered for priority points.

Funding

Subject to funding availability CalRecycle anticipates that \$1,500,000 will be available for FY 2010/11.

\$150,000 maximum award for a single jurisdiction applicant.

\$300,000 maximum award for multi-jurisdictional (regional) applicant.

Grant Term

The anticipated term of the grant is approximately two years depending on the month in which the grant was awarded. The official start date for each grant will commence upon grantee's receipt of a formal notification entitled "Notice to Proceed" (NTP) from CalRecycle. The Grant Performance Period for Cycle 19 is from the NTP date through April 1, 2013.

Question deadline: March 11, 2011

Program specific questions regarding the application must be submitted in writing.

Application deadline: April 15, 2011

Applications must be postmarked by or hand-delivered and received at the following address no later than 3:00 p.m. on April 15, 2011:

CalRecycle
1001 I Street
MS 9A
Sacramento, CA 95814
